Hi Frank:

I hope this finds you well. Thank you for reaching out to us in the attached voice mail last week in response to our request for an extension to respond to EPA on the LCP matter. I am sorry that we were unable to connect. We greatly appreciate and hereby confirm your verbal approval of a 30 day extension for our clients to respond to EPA's 104(e) information requests on LCP.

We would like to further discuss this matter with you as it is highly likely that we will need more than a 30 day extension to respond based on the broad nature of some of EPA's requests. We wish to discuss the scope of the request to ensure that we gather the specific information that you are looking for, which currently is not all in the possession of our clients.

Please let us know when you are available for a call to discuss this matter.

Thank you.

Bill
